

Purple Light

Purple light
In the canyon
That's where I
Long to be!
With my three
Good companions
My knapsack, my ponies, and me.

Whippoorwill
In the willer
Sings a song
A melody
For my three
Good companions
My knapsack, my ponies, and me.

Gonna hang
My sombrero
On the branch
Of a tree
O're my three
Good companions
My knapsack, my ponies, and me.

No more cows
To be ropin'
No more strays
Will I see
Just my three
Good companions
My knapsack, my ponies, and me.

My knapsack, my ponies, and me.
